# Multifamily Lending in a Changing Market.

Northmarq continues to lock interest rates and transact even during today's market challenges. While the volatility continues, the GSEs are actively refinancing existing loans and transacting new business. We recommend investors take advantage of this window of opportunity now to capture the benefit of the fluctuations in the markets. Contact a local Northmarq office to discuss your specific investment needs.

CURRENT INDEX RATES	
5-Year Treasury	4.41%
7-Year Treasury	4.52%
10-Year Treasury	4.62%
30-Day Avg. SOFR	4.35%

Rates are general in nature and are for informational use only. Rates are subject to change at any time and the information provided is not a commitment to lend. For specific quotes based on your property, contact a local Northmarq office.
